### ***Greetings from Dive Subculture Yangon - Myanmar!***

Now you have booked and confirmed your dates for your next diving course, we would like to ask you to read, fill out and sign the documents attached.

As it is on NO one's list of favourite things to do while on vacation, we have added as much paperwork now, so you don't have to do it when you arrive.

We also strongly recommend doing all of your homework before you arrive as well.

To be able to process your diver/instructor application, as good and as fast as we can, we need the following forms filled out as detailed as possible.

Your personal details and every page that needs to be signed by you, including any papers with answers for exams or knowledge reviews needs to be dated and named on the top of each page and need to be returned to us before the end of the course.

The liability release forms, assumptions of risk, media release and rental agreement need to be signed and returned on the 1<sup>st</sup> day of the course. Each course needs a separate Liability Release form from the Agency. Let's say you are doing all 3 levels of the SDI Open Water courses. This means 3 separate Liability forms.

Knowledge reviews are required by the agency and should be completed before the final course day as such. You are responsible to fill them out and ask questions if any. Again, if you do this all before you arrive, you don't have to worry about it and you will be able to focus solely on the diving.

The medical release forms from the agencies need to be filled out properly for legal purposes. Please fill out a full "YES" or "NO" on the medical questions. A "Y", "N" or "X" are not permitted.

If you have any questions or remarks about the course itself or about our instructors, good or bad, please do not hesitate to talk to us about your concerns.

Please provide us with the following or reply to this form at [dive@divesubculture.com](mailto:dive@divesubculture.com):

- Digital Passport picture
- Copy of your highest certifying diver/instructor level,
- Copy of your travel/ dive insurance card (for Hyperbaric treatments)

### GENERAL LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK

**Directions:** Please read carefully, fill in all blanks and initial each paragraph before signing at bottom.

For \_\_\_\_\_ (specify Course or Specialty) training program under sanction through SDI.

I, \_\_\_\_\_, hereby affirm that I have been advised and thoroughly informed of the inherent hazards of scuba diving activities

\_\_\_\_ Further, I understand that diving with compressed air or oxygen enriched air (nitrox) involves certain inherent risks including decompression sickness, embolism, oxygen toxicity, inert gas narcosis, marine life injuries or other barotrauma/hyperbaric injuries can occur that require treatment in a recompression chamber. I further understand that the open water diving trips, which are necessary for training and certification, may be conducted at a site that is remote, either by time of distance or both, from such a recompression chamber. I still choose to proceed with such instructional dives in spite of the possible absence of a recompression chamber in proximity to the dive site.

\_\_\_\_ I understand and agree that neither my Instructor(s) \_\_\_\_\_, the facility through which I received my Instruction, \_\_\_\_\_, International Training and Scuba Diving International, nor the officers, directors, shareholders, affiliated companies, employees, agents, or assigns of the above listed entities and/or individuals, nor the authors of any materials including texts and tables expressly used for training and certification (hereinafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death, or other damages to me or my family, heirs, or assigns that may occur as a result of my participation in this diving class or as a result of the negligence of any party, including the Released Parties, whether passive or active.

\_\_\_\_ In consideration of being allowed to enroll in this course, I hereby personally assume all risks in connection with said course, for any harm, injury, or damage that may befall me while I am enrolled as a student of this course, including all risks connected therewith, whether foreseen or unforeseen.

\_\_\_\_ I further agree to save, defend, indemnify, and hold harmless said course and Released Parties from any claim or lawsuit by me, anyone purporting to act on my behalf, my family, estate, heirs or assigns, arising directly or indirectly out of my enrollment and participation in this course including both claims arising during the course or after I receive my certification even if such claims may be groundless, false or fraudulent.

\_\_\_\_ I also understand that diving activities are physically strenuous and that I will be exerting myself during this diving course, and that if I am injured as a result of heart attack, panic, hyperventilation, oxygen toxicity, inert gas narcosis, drowning, etc. that I expressly assume the risk of said injuries and that I will not hold the above listed individuals or companies responsible for the same, and I agree to defend, indemnify, and hold harmless said course and Released Parties for any such injuries incurred by me.

\_\_\_\_ I understand that these activities may place me deeper than I am able to safely execute a free (without breathing gas) ascent from.

\_\_\_\_ I understand that I may be required to furnish my own equipment and that I am responsible for its operating condition and maintenance.

\_\_\_\_ I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian.

\_\_\_\_ I understand that the terms herein are contractual and not a mere recital, and that I have signed this document of my own free act. Further that I understand and agree that, in the event that one or more of the provisions of this agreement, for any reason, is held by a court of competent jurisdiction to be invalid or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this agreement shall be construed as if such invalid, illegal or unenforceable provision or provisions had never been contained herein.

IT IS THE INTENTION OF \_\_\_\_\_ BY THIS INSTRUMENT TO EXEMPT AND RELEASE MY INSTRUCTORS, \_\_\_\_\_ (AND OTHERS, \_\_\_\_\_), THE FACILITY THROUGH WHICH I RECEIVED MY INSTRUCTION \_\_\_\_\_, THE TRAINING AGENCY \_\_\_\_\_ AND INTERNATIONAL TRAINING AND SCUBA DIVING INTERNATIONAL, AND ALL OTHER RELATED ENTITIES AND RELEASED PARTIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE. I HAVE FULLY INFORMED MYSELF OF THE CONTENTS OF THIS LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK BY READING IT BEFORE SIGNING IT ON BEHALF OF MYSELF AND MY HEIRS.

### MEDICAL STATEMENT PARTICIPANT RECORD (CONFIDENTIAL INFORMATION)

#### Please Read Carefully Before Signing

This is a statement in which you are informed of some potential risks involved in scuba diving and of the conduct required of you during the scuba training program. Your signature on this statement is required for you to participate in the scuba training program offered by

Diving is an exciting and demanding activity. When performed correctly, applying correct techniques, it is relatively safe.

When established safety procedures are not followed, however, there are increased risks.

To scuba dive safely, you should not be extremely overweight or out of condition. Diving can be strenuous under certain conditions. Your respiratory and circulatory systems must be in good health. All body air spaces must be normal and healthy. A person with coronary disease, a current cold or congestion, epilepsy, a severe medical problem or who is under the influence of alcohol or drugs should not dive. If you have asthma, heart disease, other chronic medical conditions or you are taking medications on a regular basis, you should consult your doctor and the instructor before participating in this program, and on a regular basis thereafter upon completion. You will also learn from the instructor the important safety rules regarding breathing and equalization while scuba diving. Improper use of scuba equipment can result in serious injury. You must be thoroughly instructed in its use under direct supervision of a qualified instructor to use it safely.
